

Small Wonders Learning Center and School Age Hangout

From the Office

WELCOME Back!! We are so happy to be back and see so many of our children and their families again. We certainly have been missing everyone.

We are in uncharted waters as we settle into our new routines. Please know that we are working hard to keep a safe environment as well as maintain as much normalcy as possible for our children. We appreciate everyone's patience and compliance with our new procedures.

As we move forward, we will continue to be in contact with the Department of Children and Families as well as the Rock County Health Department.

As a reminder, for the safety of everyone, all families must inform us immediately if anyone becomes ill with COVID-19 or has been in contact with someone whom has become ill. Confidentiality will be maintained.

We will continue to keep you updated with all information as

we receive it. To stay informed, please like our Facebook Page and/or visit our website at small-wondersltd.com. We will also be updating our email contacts with all of our families. Please watch for a form to be sent home soon. If at any time you have questions, concerns, or compliments, please let us know. We value your opinions and input.

Virtual Tours Available:

In order to control the exposure of outsiders to our centers as well as meet the needs of future clients, we are now offering virtual tours! :-). Interested families may contact our office to schedule a tour.

Summer Reminders:

Sunscreen: All of our friends should have sunscreen at SWLC/SAHO*. A Sunscreen Medication Form must be completed prior to use.

*Our SAHO friends will be applying their own sunscreen as per a request from our State Licensor.

Outdoor Play: All of our friends will be going outside daily, weather permitting. Closed-toe shoes with a back are required for the playground and strongly recommended for walks. You may leave a pair of extra shoes here. Be sure to label everything.

Holiday Closing: We will be closed on Friday, July 3, 2020 in observance of the Independence Day Holiday. Tuition will be charged as normal. Families may use a personal day, if they so choose.

Sunshine and Rainbow Group	2
Moonbeam Group	2
Milkyway Group	2
Shooting Stars Group	3
SAHO	3

Sunshine and Rainbow Group

Oh, we're so happy to have our little ones back! It's hard to believe that all of our friends are now one!! Oh they are so big and so much fun!! As we start the summer, we will be a combined group which means twice the fun and twice the learning! :-)

Our exploration will include Birds, Gardening, Summer, Insects, Weather, and of course Father's Day. We will also have Water Days throughout the month. If you can, please send in a swim diaper, swimsuit, and towel, if you would like. Otherwise, they can play in the water in their diapers.

We will continue to work with our friends on their developmental milestones and their individual goals. We will spend lots of time outside so please be sure to send in sunscreen and a hat.

We will be using more edible sensory activities as part of our learning exploration. We would like to confirm with all of you regarding your preferences or allergies with Jello, marshmallow, pudding, and pureed fruit popsicles. Please let us know when you drop off/pick up or give us a call.

On a final note, we would like to wish our friends that had birthdays while we were gone and now have moved on to the two year old room....Good luck to Nolan, Elyse, and Avalynn! We miss you but know that you are going to have a blast with your new friends and teachers!

Summer Fun!

Miss Barb, Miss Jaida, and Miss Ella

Moonbeam Group

Welcome Back to all of our friends and also a big WELCOME to our new friends, Avalynn, Elyse, and Nolan. We are so excited to be back together again!!

Summer is here...well, almost but it feels like it! Hooray! Sunny warm days mean lots of fun outdoor play! We will have water days on Mondays, Wednesdays and Fridays, weather permitting, throughout the summer. Splashing our way through outdoor discovery is so much fun!! Please send

in a swim diaper, swimsuit, water shoes, and a towel. Everything should be labeled.

Our June discovery will include exploring Gardens, Bugs, Father's Day, Summer, and Camping.

We will also focus on our self-help skills as well as using a fork and spoon.

Happy Father's Day!

Miss Brittani and Miss Taylor

Milkyway Group

Happy June!! Welcome Back to all of my Milkyway friends. Everyone is so excited to be together again! It's amazing to see how everyone has grown over the last couple of months!!

We have lots of fun discoveries happening this month as we explore Picnics, Bugs, Father's Day, and Beach. Our activities will include watermelon art, sea shell prints, painting with bugs and much more.

We've added some new friends to our

group...please help me welcome Courtney, John, and Elaina. We are so excited for them to come learn & grow with us!

During the summer months, Miss Melody will be working mornings and Miss Hanna will be covering the afternoons in the Milkyways. If you have any questions or concerns, please feel free to reach out to either of us.

Sunshine Smiles!

Miss Melody and Miss Hanna

Shooting Stars Group

Welcome Summer!! We are so excited to be back together again! It is so exciting to see our friends and hear all about what they have been up to! We've missed everyone so much!

We've made a couple of changes to our room to accommodate the safety recommendations. It is now split into two separate spaces with the large cubbies down the middle of the room. All of the children really seem to like the new design and we have found it to work out rather well, too!

Our learning units this month will include Gardening, Bugs, Father's Day, Farm, and The 4th of July. We will be spending lots of time outside, using the great outdoors as part of our classroom! Please make sure your child has sunscreen at SWLC.

We will be having water days throughout the summer months.

Please send in a towel, swimsuit, and water shoes for your child. All items should be labeled.

Speaking of water, please be sure to send in a water bottle daily. Our friends are active and we want to keep hydrated throughout the day.

As we start a new month, we would like to welcome our new friends Maniah, Colin, McKenna, and Thomas as they join in our Shooting Stars fun! We are so happy to have you all come learn, grow, and play with us!

Happy Birthday wishes go out to our friend, Jocelyn. We hope you have an awesome day!

Summer Fun Wishes!

Miss Barb S., Miss Leah M. and Miss Leah S.

School Age Hangout (SAHO)

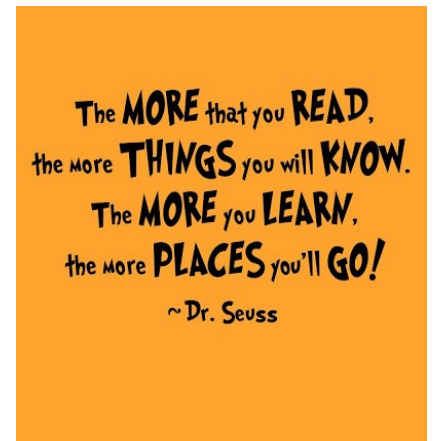

Wow! We are so happy to have so many of our school age friends back! We've missed all of you so much and we certainly know that this has been a time of uncertainty and unrest for many. We are happy to move back to some 'new' normalcy and to provide an opportunity for our children to be together.

We've planned lots of fun and creative activities for our friends including scavenger hunts, obstacle courses, cooking and science activities, as well

as water days and movie days. We are currently planning on having water days on Thursdays. Please send in a swimsuit and towel. All of our friends should have sunscreen at SAHO. Our SA friends will be applying their own sunscreen as per the recommendation of our State licensor.

We're looking forward to having a wonderful summer with our friends!

Miss Lynn, Miss Olivia, Miss Rachel, and Miss Lauryn

Items Needed:

We are in need of extra summer clothing items. Sizes needed:

- 24 months
- 2T
- 3T/4T
- 4/5/6

Thank you so much!!

Water Shoe Options:

It is not necessary to purchase actual water shoes for your child. If you have a pair of shoes that can get wet and be worn outside while we are playing in the water, please feel free to send them in. Please note, they cannot be the same pair that your child will be wearing throughout the day as it would be very uncomfortable to be in wet shoes all day. :-)

All shoes should be labeled with your child's name.

Small Wonders Learning Center

Small Wonders Learning Center (SWLC) was founded in June 1998 by a local mom who is a registered nurse and an active community member in Milton. She wanted to provide quality child care in a safe, caring, and academic environment that would be convenient to parents and their families. Small Wonders' School Age Hangout (SAHO) opened in 2019 as a school age specific location.

It is Small Wonders' philosophy to educate the whole child. SWLC and SAHO will provide an innovative, educational, and nurturing environment. Each child is able to develop at his or her own rate. Children are encouraged to play with a variety of toys and participate in a variety of sensory, language, and motor activities that will encourage intellectual and physical growth, social interaction, and a positive self-image. Children are taken outdoors daily, weather permitting.

Small Wonders provides childcare services for children from all geographical locations. Children of every nationality are welcomed. Care for children with special needs will be available, however, if their needs require more than the program can provide, SWLC and SAHO will assist them in finding other childcare resources.

June Birthdays

June 6th: Sebastian
June 8th: Cora
June 9th: Aiden
June 11th: Adelynn
June 17th: Carter, Jocelyn
June 18th: Autumn
June 19th: Ava
June 27th: Kaelie
June 28th: Nolan
